Welcome to the Mindray North America Parts and Accessories Catalog

This catalog will provide you with the parts and accessories that connect to your Mindray Anesthesia Delivery System, Bedside Monitors, or Distributed Monitoring System. Every Mindray product is built with patients and clinicians in mind, to ensure they are user and patient-friendly. Our parts and accessories follow this approach too so that you can expect exceptional service, focus, and quality when relying on them to deliver patient care.

About Mindray

Mindray is a leading global developer, manufacturer, and supplier of medical devices whose mission is to advance medical technologies to make healthcare more accessible by delivering high-quality, richly featured medical products. Mindray provides solutions in three core businesses: Patient Monitoring and Life Support, Medical Imaging, and In-Vitro Diagnostics. With corporate headquarters located in Shenzhen, China, and 40 international subsidiaries around the globe, Mindray has approximately 10,000 employees worldwide. Eight global R&D centers and an industry leading investment of 10% of annual revenue into research and development further demonstrate Mindray's commitment to innovation and advancing technology in a global market. Today, Mindray products and services can be found in healthcare facilities in over 190 countries and regions.

Exceptional Service and Support

Clinical education specialists provide your staff with comprehensive, on-site product training and in-service. Our dedicated field service CARE Team and in-house technical support organization represent one of the largest direct service teams in the industry.

Finding the Right Part

This catalog is designed to make finding the right part easy. Chapters are organized by specific product categories. Simply locate the type of part you are looking for under the appropriate category. Not sure which part works with which product? No problem. Each accessory is clearly marked for its corresponding medical device.

How to Order

We have made placing orders for parts and accessories easy. You can shop online or contact our customer service department. To shop online 24 hours a day, 7 days a week, log on to: http://store.na.mindray.com
Our online store is available only to US customers.

You can also contact our customer service department at 1-800-288-2121 (Press 3) Monday – Friday, 8:30 am - 6:00 pm EST, or email customerservice@mindray.com.

Buy your accessories from a company you can trust, that offers service you can depend on, and provides the support you expect.

NOTE: This catalog is not an Operating Instructions Manual. This catalog will assist you in identifying the correct parts and accessories to connect to your Mindray anesthesia delivery system, bedside monitor, or Central Station. For Operating Instructions, please refer to the Operating Instructions Manual. Warnings, Precautions, and Notes can also be found in the Operating Instructions.

healthcare within reach

Vision: Better healthcare for all

Mission: Advance medical technologies to make healthcare more accessible

Mindray is a leading developer, manufacturer and supplier of medical device solutions and technologies used in healthcare facilities around the globe. We believe we can change lives by making the most advanced healthcare technology attainable for all. We do this by empowering healthcare professionals through innovative, high-value solutions that help create the next generation of life-saving tools across patient monitoring, anesthesia delivery and ultrasound imaging.

At Mindray, we understand the shift in healthcare from volume to value and continuously deliver solutions that matter in this evolving environment. Our team is disrupting the industry, radically addressing today's needs with the technology of tomorrow. We are creating innovative, game-changing products and partnerships, shaping a new conversation for healthcare providers across North America. We work with thousands of healthcare providers day-to-day to drive the development and implementation of smarter technology – solutions that are simple and affordable, easy to adapt, and return bottom line results and meaningful outcomes. Together, we are creating a higher standard for healthcare.

Mindray North America is headquartered in Mahwah, New Jersey. Our Ultrasound Innovation Center is located in San Jose, California with additional facilities in Nashville, Tennessee and Seattle, Washington.
