Mindray remains committed to supporting our products for as long as is feasible, to maximize the benefit of your capital investments. However, it should be noted that, given the age of the Panorama system, we are experiencing increasing difficulties in obtaining the necessary parts to support these products; hence this notification.

We do offer generous customer loyalty programs that extend both software license and hardware credits (based on your currently owned assets) toward the purchase of our most current generation of products and solutions. If you are interested in receiving more information regarding these programs, your local Mindray Sales Representative can be contacted directly or feel free to reach out to our Customer Service team at 1-800-288-2121. We look forward to discussing with you the advantages of our latest technology offerings.

We hope that this advance notice will assist in minimizing any potential disruption and we thank you for your ongoing support of Mindray and our solutions.

Sincerely,

Michael Lawlor
