

Trauma

VA Distal Radius Solution

- Easy for bending
- Anatomically contoured
- Low profile design, minimize soft tissue irritation
- Variable angle locking, holes allow up to 15° off-axis screw angulation

MR-VA Volar Distal Radius Locking Plate
(volar side, 3 plate sizes option)

MR-VA Distal Radius L Plate
(dorso-ulnar)

MR-VA Distal Radius Locking Plate
(dorso-radial)
