

# SFCC

SCIENTIFIC FORUM FOR CLIA AND CHEMISTRY 2024

In association with IFCC, ACCLMP

Join the forefront of Hematology and Clinical Chemistry at SFCC-2024 !  
Connect with experts and peers from around the world Collaborate on innovative solutions and research Innovate your practice with cutting-edge knowledge and techniques.  
Register now for our ONLINE event and be a part of the most anticipated gathering in the field !

## DAY 1

21<sup>st</sup> September 2024

12:30 - 12:40 pm - **Welcome to SFCC**

12:40 - 12:50 pm - **Introduction to SFCC**

**LUNCH** 12:50 - 2:00 pm

### Session 1 - 2:00 to 4:10 pm (IST)

2:00 - 2:30 pm

**Dr. Vinita Kothari**  
Central Lab. indore

**Role of Pathology lab in making nation healthy**

2:30 - 2:50 pm

**Dr. Manisha Patwardhan**  
Quality Head,  
A G Diagnostics, Pune

**Auto Verification in Clinical Laboratory - Requirements and Challenges**

2:50 - 3:10 pm

**Dr. Riju Mathew**  
Assistant Director, Manager, Laboratory - Quality & Risk, Associate Professor at Believers Church Medical College, Thiruvalla

**Relationship of RDW with Biochemical & Immunological Parameters in Health & Disease- A Systematic Review**

3:10 - 3:30 pm

**Dr. Vinayaga Moorthi**  
Professor and Head , Department of Biochemistry, IGMC, Pondicherry

**Diagnosis on Gestational Diabetes**

3:30 - 3:50 pm

**Dr. Suchitra Sahoo**  
Jaiprakash Hospital and Research centre, Rourkela, Odisha

**Standardizing Diagnostic testing: Challenges in Harmonization and the way forward**

3:50 - 4:10 pm

**Dr. Tina Liu**  
Clinical Manager, International IVD Product Marketing, Mindray

**Innovations in Immunoassays: Transforming Diagnostic Capabilities in India with Mindray CLIA Solutions**

**TEA BREAK** 4:10 - 4:30 pm

### Session 2 - 4:30 to 5:50 pm (IST)

4:30 - 4:50 pm

**Dr. Venkatesh Thuppil**  
Professor Emeritus in the Department of Biochemistry, St John's Medical College, Bangalore

**What is new in the latest version of ISO 15189:2022**

4:50 - 5:10 pm

**Dr. Dhruv Mamtara**  
Bai Jerbai Wadia Children's Hospital, Mumbai

**Laboratory Diagnosis of Congenital and perinatal infections**

5:10 - 5:30 pm

**Dr. Elangovan**  
Quality Manager, Anderson Diagnostics & Labs, Chennai

**Equipment (auto analyser)- part of technician life**

5:30 - 5:50 pm

**Dr. Deepti Jain**  
Lab Director , MIOT Hospital, Chennai

**Workflow and Process Improvement in clinical laboratory through Automation and Digitalisation**

## DAY 2

### 22<sup>nd</sup> September 2024

#### Session 1 - 9:30 am to 10:50 am (IST)

9:30 - 9:50 am  
**Dr. Barnali Das**

Lead Consultant, Biochemistry, Immunology & Toxicology, Kokilaben Dhirubhai Ambani Hospital & Medical Research Institute, Mumbai, Executive Member, Scientific Division, International Federation of Clinical Chemistry & Laboratory Medicine (IFCC), Chair, Association for Diagnostics & Laboratory Medicine (formerly American Association of Clinical Chemistry or AACCC), Indian Section

**Defining, Establishing & Verifying Reference Interval: Key to Harmonization of Reference Interval in Indian Population**

10:10 - 10:30 am

**Dr. Sharmistha Choudhuri**

Assistant Professor, Department of Biochemistry, RG Kar Medical College and Hospital, Kolkata

**Biomarkers of COPD (Chronic obstructive pulmonary Disease): Worth their weight in gold**

9:50 - 10:10 am

**Dr. Susruta Sen**

Director, Department of Lab Medicine, CK Birla Hospital, CMRI & BM Birla Heart Research Centre, West Bengal

**Role of Biochemist in Auto-immune disease**

10:30 - 10:50 pm

**Dr. George Abraham**

Lab Director Ananthpuri Hospital, Trivandrum

**Risk management Practices & Hidden Challenges**

**TEA BREAK** 10:50 - 11:10 am

#### Session 2 - 11:10 am to 12:10 pm (IST)

11:10 - 11:30 am

**Dr. Mudita Bhargava**

Paras Hospital & THC lab, Gurugram

**HbA1c and other Advanced Markers for Diabetes monitoring**

11:30 - 11:50 am

**Dr. Mohammad Ibrahim Shaikh**

Asst. Prof. Biochemistry  
Guntur Medical College,  
Guntur

**Maternal Screening**

11:50 am - 12:10 pm

**Dr. Rahul Goyal**

Raghav Diagnostic centre, Gurugram

**Significance of ADA and ACE markers in Biochemistry**

**Thanks Giving** 12:10 pm - 12:30 pm

**LUNCH** 12:30 - 1:30 pm

#### Chairpersons :

**Dr. Venkatesh Thuppil**

**Dr. Barnali Das**

**Dr. Susruta Sen**

**Dr. Manisha Patwardhan**

**Dr. Piyush Patnaik**

**Dr. Dhruv Mamtora**

**Dr. Riju Mathew**

**Dr. R Vinayagamoorthis**

**Dr. Deepak Sadwani**

**Dr. Vimal Kumar Saini**

**Dr. Eugene D'souza**

**Dr. Asma Bibi**
