

# Mindray Out-of-Hospital Solutions

## Mindray's Out-of-Hospital Solutions

Mindray is a leading developer, manufacturer, and supplier of medical device solutions and technologies used in healthcare facilities worldwide. At Mindray, we rise up to meet the highest standards possible because we believe everyone deserves access to quality healthcare. As a result, we have been advancing medical technologies for more than 30 years, providing robust, best-in-class solutions that are focused on our customers and designed to address their biggest pain points.

**Mindray Vision:** Better healthcare for all

**Mindray Mission:** Advance medical technologies to make healthcare more accessible

Mindray offers innovative, leading-edge, accessible patient monitoring, anesthesia, and ultrasound solutions, empowering healthcare professionals to provide the highest quality of care now and in the future. Many of Mindray's solutions are available through distribution, ensuring that healthcare facilities worldwide have access to top-tier medical device technologies. Explore why leading healthcare providers are choosing to partner with Mindray:

One of the Top Four  
Manufacturers in the
